

'DECO' RANGE OF CONTEMPORARY TOILET TRAILERS

So often it is the toilet facilities that guests remember at an event – let us help you ensure that their memories are good ones!!

Our contemporary 'DECO' re-circulating mobile units offer spacious and modern facilities ideal for any outdoor private or corporate event.

FEATURES INCLUDE:

- Smart interior colour scheme of burgundy/white complemented by oak doors, skirting and door trims
- Superior non-slip flooring
- Brushed stainless steel dispensers
- Contemporary semi-recessed porcelain basins with sensor taps offering warm water
- Flush LED downlighters
- Polished chrome fittings

With a modern contemporary décor and more room than most trailers, the DECO range offers the ultimate in temporary toilets but an affordable price.

Being totally self-contained, and only requiring a 13 or 16 amp electrical connection – (no plumbing or water connections are required), the Deco range of units will complement all venues and themes and ensure your guests remember your event – for the right reasons!

“These are better than my bathroom at home!”
